

# HEALTH SERVICES ALERT

## IMMEDIATE ATTENTION REQUESTED

**Influenza Immunization . . . It's that time of year again to prepare for the upcoming flu season.** The Academy physician recommends that all students receive the flu immunization – Fluarix Quad 2018-2019.

We strongly urge Day Student parents to also take their students to local providers for the immunization.

The Boarding Students whose parents give permission will be given an inoculation of the flu vaccine at the Health Center on October 9. The cost of the Flu Vaccine is approx. \$35.00. This amount will be charged to the student's account. Please be sure there are adequate funds to cover this amount. (Note: insurance cannot be filed for this service)

The flu shot will be administered to students only with written permission from their parent or guardian.

The vaccine will be administered as soon as possible when we receive parental permission. AGAIN, the flu shot will be administered to Boarding Students only with the written permission of their parent or guardian.

-----

If you wish your student to receive the flu immunization, please sign below and return this form **AS SOON AS POSSIBLE**. **You may fax this form directly to the infirmary at (512)753-8033, email it to [infirmary@smabears.org](mailto:infirmary@smabears.org) or mail it to:**

San Marcos Academy  
ATTN: Infirmary  
2801 Ranch Road Twelve  
San Marcos, Texas 78666

The maximum fee for the vaccine of \$35.00 will be charged to your student's account.
