

UNIFORM BUYBACK

**At Bear Outfitters SMA families are offered a wide selection of new and used approved uniform items.
To keep used uniforms in stock is where you come in!**

How it works...

- Step 1. Be sure your uniform items are clean and in good condition—no stains, fading, holes, snags, or excessive wear**
- Step 2. At the end of each semester, gently used uniforms can be returned for credit towards the student account or the purchase of more uniforms.**
- Step 3. We will review your items to determine an offer.**
(Offers are dependent upon current inventory and quality of the items.)
- Step 4. Once you accept the offer, you can apply the credit towards your Smart Tuition Student account or shop for more uniforms.**
- Step 5. You can leave unwanted items that cannot be returned for credit to be donated or recycled!**
