

Communicable Disease Action Plan (CDAP) Four Stage Response System

- Stage 1:** Daily operational procedures with intensified sanitizing protocols; all students and staff report to school. Dorm and activities operate as normal.
- Stage 2:** All staff report to work. Parents have the choice to send children to school or keep them home without penalty. Dorm and activities operate as normal.
- Stage 3:** All faculty, staff, and students remain at home. Academics move to distance learning plans. Dorms move to the CDAP housing plan. Campus and sports activities postponed. Staff considered essential reports to work as determined by the Executive Council.
- Stage 4:** All faculty, staff, and students remain at home. Academics will provide no instruction. Dorms move to stage 4 of the CDAP housing plan. San Marcos Academy closes all operations.

All departmental areas will develop plans based on the stages of the Communicable Disease Action Plan (CDAP)
