

San Marcos Academy COVID-19 Transportation Protocol

- It is suggested that passengers wear a face covering when traveling in a vehicle.
- Passengers should spread out when possible during transport.
- Passengers can choose to open vehicle windows.
- The vehicle must be sanitized after each use by focusing on high-touch surfaces such as seats, the steering wheel, knobs, and door handles.
- Temperatures checked for all passengers before departure if not screened prior. Passengers with a temperature reading of 100.4 or above will not be allowed to board the vehicle. This step is specific to students on the SMA Shuttle or other off-campus activities. Parents or guardians must remain on site until screened and cleared to board the vehicle.
